10
11 The record in this matter shall be held open until August 1, 2017 to allow
12 Respondent to submit additional documentation and to allow Petitioner to submit any
13 written objections to its admission that he may have. Although the parties were told in
14 the hearing that the record would be held open for two weeks, the Administrative Law
15 Judge will be out of the office at the end of the two week period so there is no reason to
16 hold the parties to a shorter schedule.
